SKILLS

Community Development

- Community mobilization and capacity building
- Facilitating participatory strategic planning workshops
- Facilitating community-based media projects
- Fundraising and community resource development
- Evaluation of community development programs

Social Research Design and Data Analysis

- Survey development
- Statistical sampling
- Interviewing
- Statistical analysis using SPSS
- Qualitative analysis using QSR NUDIST software

Geographic Information Systems (GIS)

- ESRI ArcMap 10
- Geo-statistical sampling using GIS
- Geo-statistical analysis using GIS
- GPS
- Remote Sensing using LANDSAT

Multi-Media

- Video editing using Apple Final Cut Pro HD
- DVD Mastering using DVD Studio Pro
- Image editing using Adobe Photoshop 9.0
- Vector graphic design using Adobe Illustrator 9.0
- Website design and management using Macromedia Dreamweaver
- Animation using Macromedia Flash
- Publication development using Adobe Illustrator and Pagemaker

PERSONAL

I am a lifetime resident of Colorado and take every opportunity I can to go whitewater kayaking, rock climbing, mountain biking, snowboarding, and hiking. Currently, I'm taking time away from my academic life to focus on my work at Village Earth, supporting families on the Pine Ridge Reservation who want to recover their lands from the Bureau of Indian Affairs leasing program to live on and utilize it.
